Children's National Hospital's Lysosomal Storage Team and Contact Information

VA and MD generally call the pediatrician first, then the CNH team. CNH providers will reach out to family. DC only calls the primary care provider.

Newborn Screen Nurse Practitioner (near future) or NBS pager

- Call Children's National Hospital and ask for "Newborn Screen Pager" or "Newborn Screen Nurse"
- If you leave a voicemail with your contact information and baby's information, your call will be returned!

Lysosomal Storage Team
