A few notes about today's Grand Rounds

- All lines are muted throughout the presentation.
- Please use the chat box to ask questions or make comments.
- We will be recording the session, but not the breakout groups or the report out section of this meeting.
- Today's recording and materials will be posted to the PHN website following the presentation.

Participant Questions

We received multiple questions from you in the pre-survey that focus on:

- Critical Conversations (& Next Steps)
- Patient & Provider Education
- Systems Change

Today's presentation will mainly focus on systems-level change with a brief focus on the need for one's personal education and growth.

Given the importance of and interest in the task ahead for all of us, we hope to provide our pediatric community with more sessions such as these.
