

Qualifying Health Equity Training Sessions for CareFirst Requirements

All providers in the CareFirst contract need to complete a health equity training by December 1, 2022. Below are examples of qualifying webinars or meetings that would count for a training based on the CareFirst definition.

- Children's National Hospital Grand Rounds
 - [*Eliminating Race-Based Medicine: Policy Implementation and Practice Implications*](#) Dr. Joseph Wright, VP and Chief Equity Officer at University of Maryland Medical Systems; 9/7/22
 - [*It's Always the Right Time: Working for Justice and Equity in Health*](#) Dr. Benjamin Danielson, Professor of Pediatrics at University of Washington School of Medicine; 4/5/22
 - [*Advancing Health Equity through Advocacy: A Vision for the Future*](#); Dr. Lee Beers, Medical Director, Community Health and Advocacy at Children's National Hospital; Immediate Past President, American Academy of Pediatrics; 11/17/21
 - [*The Intergenerational Transmission of Historically Medicated Racism: The Clinical Implications of Racism in Adolescents*](#). Dr. Tamera Coyne-Beasley, Chair in Adolescent Medicine and Vice Chair for Community Engagement at The University of Alabama at Birmingham; 6/1/22
 - *Hospitals & Healthcare Systems Must Choose to be Racist or Antiracist*; Dr. Yanique Redwood; 6/8/22.
 - [*My Journey from Pediatrician to Child Health Advocate*](#); Dr. Annie Andrews; 6/22/22.
 - [*Toxic Environments and Toxic Stress: Impacts on Children's Health*](#); Dr. Lynn R. Goldman; 9/14/22
- PHN Grand Rounds – [*Eliminating Race based Medicine*](#) Dr. Joseph Wright, VP and Chief Equity Officer at University of Maryland Medical Systems; 10/20/22
- [*Words Matter: How Language Used in Health Care Settings Can Impact the Quality of Pediatric Care*](https://chcs.us13.list-manage.com) [chcs.us13.list-manage.com] This webinar featured perspectives on the impact of language used during care and in medical records, and how provider interactions rooted in respect can support health and well-being.
- [*Addressing Food Insecurity in Pediatric Primary Care: Novel Strategies to Optimize Screening, Coding, and Billing*](#) from Dr. Kofi Essel, MD, MPH and Sarah DeSilvey, APRN; 9/13/22
- *Modeling Patient Safety and Comfort Language & Behaviors. Patient Experience Consultants*; 6/22/22.

Additionally, 1 hour trainings/lectures/webinars on social determinants of health or diversity, equity, and inclusion would count towards this CareFirst credit. This includes but is not limited to presentations at local or national AAP Meetings, meetings, or conferences. Please reach out to Charlotte (charper@childrensnational.org) if you have any questions about a qualifying event.
