

PHN & eCW User Group:

Data Exchange Methods

Tuesday, April 30, 2024

12:00pm – 12:45pm

*A collaboration between PHN, eClinicalWorks
and PHN practices*

Pediatric **Health** Network

Today's User Group:

You are **encouraged** to unmute yourself and ask questions!!

We love seeing the face behind the name! 😊 Cameras welcome!

The session is recorded!

Today's recordings and materials will be posted on the PHN website following the presentation.

<https://pediatrichealthnetwork.org/>

Where to Find Us

- Visit <https://pediatrichealthnetwork.org/user-group-series/> to find all the information you need on upcoming User Group Sessions as well as recordings from previous sessions.
- You can find more information about all the PHN's offerings here: <https://pediatrichealthnetwork.org/practice-programs-and-services/>

The screenshot shows the Pediatric Health Network website header with the logo and navigation links: About Us, News, Our Members, Events, a red Join button, and a Search icon. The main heading is "User Group Series". Below it is a paragraph describing the series as collaborative learning focused on eClinicalWorks. A second paragraph mentions supplemental handouts and guidelines. The "Upcoming Sessions" section features a dark blue banner with three session cards, each with a laptop icon, the date and time (e.g., "March 27, 2022 / 12 p.m."), and the label "USER GROUP 1".

Upcoming PHN User Group

- **2024 User Group Dates posted on our website**
- **We would like your feedback!**
 - Please contact Jodi Tunstall, Business Manager for PHN jtunstall@childrensnational.org with any suggestions or request

Why Sunset the eHX?

- The eHX was implemented in 2012 as first pediatric health exchange in the DMV area.
- Over the years, advances in data sharing now available

CNH Interoperability Solution Mix

Data Sharing Options

Data Sharing Options	Direct Messaging	Healow Insights PRISMA	CN Provider Portal	C.R.I.S.P.
