

# Children's Provider Portal

- **Access request form:** [Provider Portal Access Request Form | Children's National Hospital | Children's National Hospital \(childrensnational.org\)](#)
- **FAQ's:**
  1. Who do I contact if I need a password reset? Please call Children's National Hospital's Helpdesk at 202-476-HELP (4357).
  2. What if the helpdesk is not able to reset my password? Please contact your Physician Liaison for assistance.
  3. What if I do not see my patient on my list? Confirm your filters are set correctly including: "All Patients" and "admitted Within". If your patient does not display, please contact [providerportalhelp@childrensnational.org](mailto:providerportalhelp@childrensnational.org).
  4. What if I don't see expected documentation and/or am unable to open documentation? Please contact [providerportalhelp@childrensnational.org](mailto:providerportalhelp@childrensnational.org).
